a single parcel. The plan was accepted for review on November 1, 2022 and one waiver is currently requested from Section 501.B.13 of the stormwater management ordinance to allow for a stormwater management facility within 10 feet of the proposed property line. A review extension was granted and the plan review period currently expires on April 18, 2023.

Rech Solar Land Development Plan: Plan proposes to develop an existing lot of approximately 6.5 acres at 153 Pine Road, Palmyra by placing 2,600+ solar panels on it. The parcel is in the Rural Agricultural (RA) zoning district. The plan was accepted for review on November 22, 2022 and no waivers are currently being requested by the applicant. The Planning Commission recommended conditional approval of the plan on December 27, 2022. A review extension was granted and the plan review period currently expires on April 21, 2023.

Walters Services Subdivision and Land Development Plan: Plan proposes to subdivide a 13.37 acre lot from parcel 25-007-010 (between Ridge Road, Bow Creek Road, and Station Road) and construct a new septic contractor business headquarters which would include three shop buildings, one office building, separate accesses to Ridge Road and Station Road, a parking lot, a stone storage area, utilities, and stormwater management facilities. The property is proposed to be served by a private well and on-lot sewer system. The proposed subdivided lot to be developed is in the Industrial Commercial (IC) zoning district. The plan was accepted for review on February 28, 2023 and the plan review period currently expires on May 29, 2023.

Bonawitz Real Estate Investors/JLB Construction Subdivision and Land Development Plan: Plan proposes to subdivide a 7 acre lot from parcel 25-007-010 (between Ridge Road, Bow Creek Road, and Station Road) and construct a new construction business headquarters which would include one 3,000 square foot office building, one 15,000 square foot shop building, access to Ridge Road, parking facilities, paved storage area, a stone storage area, utilities, and stormwater management facilities. The property is proposed to be served by a private well and on-lot sewer system. The proposed subdivided lot to be developed is in the Industrial Commercial (IC) zoning district. The plan was accepted for review on February 28, 2023 and the plan review period currently expires on May 29, 2023.

AGRICULTURAL SECURITY AREA (ASA) PROPOSALS

692 Manada Gap Road: A proposal was received to add approximately 92 acres of the property at 692 Manada Gap Road, Grantville to the Township's ASA. The proposal was received on January 12, 2023 and the 180-day review period expires July 11, 2023. Per the Dauphin County Conservation District website, landowners enrolling in an ASA receive the following benefits: "(1) Normal farming operations are exempt from local nuisance ordinances that would restrict farming operations. (2) Land enrolled in an ASA is more difficult to condemn under Eminent Domain. (3) The easement purchase program scoring system considers the amount of land around an applicant enrolled in an ASA."
