**CURRENT SUBDIVISION/LAND DEVELOPMENT PLANS**

Preliminary/Final Land Development Plan for PennDOT Stockpile Site. Plan proposes to construct a PennDOT stockpile site at 9147 Allentown Boulevard, Grantville, in the Highway Commercial (HC) zoning district. Plan proposes an 806 square foot personnel staging building, 200 square foot storage shed, 3,375 square foot salt building, 900 square foot brine tank enclosure, 10 parking spaces for fleet vehicles, and 16 other parking spaces. The facility would utilize existing driveways with the driveway onto Sand Beach Road being primary. The facility perimeter would be enclosed by a security fence with security gates. Two waivers are currently being requested by the developer. The plan was accepted for review on July 26, 2022 and the Planning Commission recommended approval of one waiver, denial of one waiver, and conditional approval of the plan on September 27, 2022. A 60-day review extension was granted on October 18, 2022 and the plan review period currently expires on December 23, 2022.

Horvath/Rafalko Simple Subdivision Plan: Plan proposes to subdivide a two-acre lot from the west side of the Horvath property at 692 Manada Gap Road, Grantville, in the Rural Agricultural (RA) zoning district. Plan requests one waiver as well as deferring erosion and sedimentation planning and stormwater management planning until such time a building permit is pursued. The plan was accepted for review on August 23, 2022, and the plan review period currently expires on November 21, 2022.
