CURRENT SUBDIVISION/LAND DEVELOPMENT PLANS

Walters Services Subdivision and Land Development Plan: Plan proposes to subdivide a 13.37 acre lot from parcel 25-007-010 (between Ridge Road, Bow Creek Road, and Station Road) and construct a new septic contractor business headquarters which would include three shop buildings, one office building, separate accesses to Ridge Road and Station Road, a parking lot, a stone storage area, utilities, and stormwater management facilities. The property is proposed to be served by a private well and on-lot sewer system. The proposed subdivided lot to be developed is in the Industrial Commercial (IC) zoning district. The plan was accepted for review on February 28, 2023. A review extension was granted and the plan review period currently expires on August 27, 2023. The applicant is requesting a waiver from the sidewalk requirement per Section 719 of the subdivision and land development ordinance along Station Road due to the presence of a sanitary sewer pressure line in that area.

Bonawitz Real Estate Investors/JLB Construction Subdivision and Land Development Plan: Plan proposes to subdivide a 7 acre lot from parcel 25-007-010 (between Ridge Road, Bow Creek Road, and Station Road) and construct a new construction business headquarters which would include one 3,000 square foot office building, one 15,000 square foot shop building, access to Ridge Road, parking facilities, paved storage area, a stone storage area, utilities, and stormwater management facilities. The property is proposed to be served by a private well and on-lot sewer system. The proposed subdivided lot to be developed is in the Industrial Commercial (IC) zoning district. The plan was accepted for review on February 28, 2023. A review extension was granted and the plan review period currently expires on August 27, 2023.

North Mill Simple Subdivision Plan: Plan proposes to subdivide the lot of approximately 3.4 acres at 8363 Jonestown Road, Grantville into a northern parcel of approximately 2.1 acres and a southern parcel of approximately 1.3 acres. The parcel is in the Rural Agricultural (RA) zoning district and there are no plans for construction at this time. The plan was accepted for review on April 4, 2023. A review extension was granted and the plan review period currently expires on October 1, 2023. No waivers are currently being requested by the applicant.

Fasnacht/Brassell Lot Line Revision Plan: Plan proposes to adjust the location of the shared property line between the properties at 2391 Sand Beach Road and 2403 Sand Beach Road, Grantville. The plan was accepted for review on May 2, 2023 and the plan review period currently expires on July 31, 2023.

AGRICULTURAL SECURITY AREA (ASA) PROPOSALS

692 Manada Gap Road: A proposal was received to add approximately 92 acres of the property at 692 Manada Gap Road, Grantville to the Township's ASA. The proposal was received on January 12, 2023 and the 180-day review period expires July 11, 2023. Per the Dauphin County Conservation District website, landowners enrolling in an ASA receive the following benefits: "(1) Normal farming operations are exempt from local nuisance ordinances that would restrict farming operations. (2) Land enrolled in an ASA is more difficult to condemn under Eminent Domain. (3) The easement purchase program scoring system considers the amount of land around an applicant enrolled in an ASA."
