

March 2022 Park and Rec Board Meeting Agenda

Old Business:

Updates on areas of erosion on walking trail in main park—Bryan

Attendance for PA Naturalist Class – Moved to Spring 2023 due to lack of registrants

Upcoming Senior events--ask attendants what they think are the barriers for attending events offered by the township, track attendance (Ultimately, if we cannot gather information on the cause of poor attendance, might not be worth continuing to plan events for this sector of the population--might be better served planning events that target a larger section of the population. Should either assess this mid-year or this Fall in order to plan for next year.)

Updates on grants:

what happens next?

any work on our end to keep this moving?

will our master plan be used as a reference for project scope

review what "grant period" means--does work only need to be started? What do these dates mean?

EHBSA

field day 3/12--does township need to any work on fields between now and opening day?

opening day on 4/2

Update on Scout projects

Feedback from Valentine's event

Critters--are ants in kitchen and squirrel in schoolhouse gone?

Summer Rec--staffing issues, thoughts & ideas

New Business:
